- Crafter Code: Please select a 3 to 4 character code that will be used on each price tag to identify your items at the register. Alphabetic characters, such as your initials, are preferred. Please do not price any items until your code is accepted, as we reserve the right to change your code if it is too similar to another participant.
- Phone Numbers: Please provide ONE telephone number to reach you at quickly should we have questions for you during the show.
- Email Address: Please write your email clearly and legibly. Email will be the primary form of communication for the 2020 show.
- Work Shifts: There are no work shifts required for crafters of the 2020 show. If you are interested in working a shift at an hourly wage, please indicate on your application.
- Post Cards: We appreciate the assistance of our crafters in distribution of our show postcards. Please only request them if you plan to use them as they are costly to ship.
- Table Rentals: Tables are available to rent for the duration of the show for \$20.00. Please indicate if you would like to rent one and include the fee with your payment. We no longer order additional tables, so please prepare accordingly.
- Description of Your Work: Please provide specific details of what you would like to jury into the show. If you are accepted, you will only be allowed to bring described items to the show—we will ask you to remove any additional items that were not properly juried.
- Jewelry and scarves are limited to those artists who are jurying for those items exclusively. They cannot be included in addition to other items amongst your work.
